**Gloucestershire
Constabulary****Burglary alert**

Burglary incident - created today!

We have been informed of a burglary in the Damery Lane area of Woodford near Berkeley today. Our victims have just returned from a two week break to discover that their property has been broken into. Offenders gained entry by smashing a rear window and have made a very untidy search of the entire property causing damage in places.

Our victim is currently going through personal belongings so we don't have a list of stolen items, however, our victim believes that jewellery items may be missing.

Due to our victims having just returned from a two week break we don't have a timeframe of when this happened.

For advice on keeping your property safe, you can find plenty of crime prevention advice on our website: <https://www.gloucestershire.police.uk/cp/crime-prevention/>
